SECTION 3 POLICY, PROCEDURES AND COMPLIANCE FORMS WITH INSTRUCTIONS

This packet is designed to comply with the New HUD Section 3 Final Rule issued September 29, 2020, and became effective November 30, 2020. Therefore, these documents and instructions are related to the "Hours Worked Benchmarks" as called for in the 24 CFR Part 75 regulation. Every contractor and sub-contractor (with the exception of professional services) are required to work toward meeting the prescribed benchmarks as indicated on the bottom of page 6 of this packet. There are no specific hiring or contracting goals under this new rule.

Most importantly, the rule does not require the hiring or contracting of any person or business that is not fully qualified to perform the work as would be charged. However, the rule makes clear that HUD is intent on ensuring Section 3 persons employed under the new rule receive measurable and sustainable employment. Therefore, Section 3 employees can be counted for up to five full years from the date of certification or hire respectively. HUD is expected to issue continued guidance on the new rule in the future so these documents may change in accordance with the rule.

If you should have any questions on this packet, please contact:

SECTION 3 REQUIREMENTS

Applicable to all contracts and agreements regardless of the dollar amount or contract duration

Background - Section 3 of the Housing and Urban Development Act of 1968 (Public Law 90-448, approved August 1, 1968) (Section 3) was enacted to bring economic opportunities generated by certain HUD financial assistance expenditures, to the greatest extent feasible, to low- and very low-income persons residing in communities where the financial assistance is expended. Section 3 recognizes that HUD funds are often one of the largest sources of Federal funds expended in low- and very low-income communities and, where such funds are spent on activities such as construction and rehabilitation of housing and other public facilities, the expenditure results in economic opportunities. By directing HUD-funded economic opportunities to residents and businesses in the community where the funds are expended, the expenditure can have the dual benefit of creating new or rehabilitated housing and other facilities while providing opportunities for employment and training for the residents of these communities.

The Section 3 statute establishes priorities for employment and contracting for public housing programs and for other programs that provide housing and community development assistance. For example, the prioritization as it relates to public housing assistance places an emphasis on public housing residents, in contrast to the prioritization as it relates to housing and community development assistance, which places more emphasis on residents of the neighborhood or service area in which the investment is being made.

Huntsville Housing Authority Internal Hiring Procedure

The state of Alabama has a restriction on the use of prior salary or compensation information and the requesting of such information relating to employment. That law is referenced below and that language may cause or create a conflict with the requirements of Section 3 to certify that a person hired is actually Section 3, what category of Section 3 they are, or are not Section 3 at all. The Benchmarks (referenced on page 8 below) will be very difficult, if not impossible, to attain if the prior salary information is not available in all cases. Certainly, a more unreasonable burden will be placed upon this HUD funds recipient as a direct result of this state law. **So, to the extent where it is deemed unlawful for the Huntsville Housing Authority or its contractors to qualify a person for employment, training, or contracting because their prior employment salary history cannot be learned or considered for certification, the overall agency compliance will be less than prescribed by the HUD benchmarks.** Only if the new employees' new annualized income meets the 80% low-income threshold for being considered Section 3, will any compliance be requested of new hires, trainees, or contractors.

HB225 - This act shall be known as the Clarke-Figures Equal Pay Act.

ENROLLED, An Act, Relating to wages; **to prohibit an employer from paying any of its employees at wage rates less than those paid to employees of another sex or race for equal work unless a wage differential is based upon one or more specified factors.** BE IT ENACTED BY THE LEGISLATURE OF ALABAMA:

(b) **An employer shall not refuse to interview, hire, promote, or employ an applicant for employment, or retaliate against an applicant for employment because the applicant does not provide wage history. Wage history means the wages paid to an applicant for employment by the applicant's current or former employer.**

Huntsville Housing Authority Contracting Procedure

For all advertised contracts let by the authority, the responsible staff will include the Section 3 Business Self Certification form and the Section 3 Individual Low-Income Self Certification form (with no income limit area) with the bid package (virtually and paper) allowing each respondent to identify themselves and their business accordingly. The completion of the forms will remain voluntary and at the respondents' discretion.

Once all responses have been received and reviewed, the most desirous and qualified business will be progressed through the contracting process. The Section 3 status of the respondent will be considered only after the "Most Qualified and Advantageous" respondent has been determined. Please note that due to that conflict with Alabama State Law HB225 - This act shall be known as the Clarke-Figures Equal Pay Act, there will be an area for contractors to confirm they meet any HUD income limit for Section 3 business owners for persons working for Section 3 business owners. **So again, meeting the Section 3 Business Concern definition will be difficult to impossible, though we still encourage contractors to recruit, train, and hire as many HHA residents and voucher holders as possible. At a minimum, contractors should provide notice to the Section 3 coordinator so some outreach can be executed for any created or available employment opportunities.**

If there are multiple and equally qualified businesses, the Section 3 status and category of the business will be considered. The business with the highest Section 3 priority, based on the 24CFR Part 75.9 (b)(2) will be awarded the contract. All other applicable procurement laws will be adhered to relative to contracting amounts. **All advertisements for contracts with the authority will carry this wording: "This opportunity is covered under Section 3 of the HUD Act of 1968"**

Huntsville Housing Authority Internal Resident Training Procedure

For all resident training offered by the authority and its contractors, the staff will include the Section 3 Individual Low-Income Person Self Certification form with the training notice or, upon the first day of training (virtually and paper), allowing each prospective trainee to identify themselves accordingly as public housing or Section 8. The completion of the form will NOT be voluntary as the prospective trainees will be allowed to attend based on their prioritization in the 24CFR Part 75.9(a)(2).

If the training is being paid for with HUD Public Housing financial assistance, the training will be limited to authority residents and potentially voucher holders only.

All advertisements for training with the authority will carry this wording: "This opportunity is covered under Section 3 of the HUD Act of 1968."

(1) Certify that they have followed the prioritization of effort in § 75.9; and

(2) Meet or exceed the applicable Section 3 benchmark as described in paragraph (b) of this section.

- (D) A worker's certification that the worker is a YouthBuild participant.

Benchmarks - For Section 3 projects, the proposed benchmark notification set the same benchmarks but with regards to the project itself rather than the recipient's fiscal year. The proposed benchmark notification provided that recipients would meet the safe harbor in the new § 75.13 by certifying to the prioritization of effort in the new § 75.9 and meeting or exceeding Section 3 benchmarks for total number of labor hours worked by Section 3 workers and by Targeted Section 3 workers. The benchmark for Section 3 workers was set at 25 percent or more of the total number of labor hours worked by all workers on a Section 3 project. The benchmark for Targeted Section 3 workers was set at 5 percent or more of the total number of labor hours worked by all workers on a Section 3 project. **Simply stated, the contract needs to meet these two benchmarks in order to be in compliance.**

$$\frac{\text{Section 3 Workers Labor Hours}}{\text{Total Labor Hours for the Project}} = 25\%$$

$$\frac{\text{Section 3 Targeted Workers Labor Hours}}{\text{Total Labor Hours for the Project}} = 5\%$$
